Real Christian Life is the evangelical ministry of Scott Curry

Scott Curry is an International Christian Evangelist dedicated to sharing the good news of Jesus Christ with unbelievers around the world. Scott was called to international evangelism in the late 1990s through a vision he received from God. In the vision, God showed Scott preaching the good news of Jesus Christ to tens of thousands of Africans standing in a large open field during a crusade.

In 2019, Scott's African ministry started with a request to travel to Uganda. Scott's first trip to Uganda took place in January of 2023. During the two weeks Scott was in Uganda, God used Scott to miraculously heal over 300 people. In addition, over 200 people made the decision to make Jesus Christ their Lord and Savior. As a result of the work God did through Scott, a new church was planted, and revival spread throughout western Uganda.

The work God did through Scott Curry in Uganda was featured in Charisma Magazine, and word of the salvations and miracles God did have spread throughout Africa. Scott now has requests to visit Zimbabwe and Kenya, as well as to return to Uganda to hold mass crusades.

Scott Curry is a normal Christian. He's not ordained, holds no titles, and has never attended a bible college. Scott simply said, "Yes!" to God when God called him. Scott encourages all Christians around the world to say, "Yes!" to God also through his encouraging messages and stories. Scott and his wife Stephanie reside in Colorado in the United States of America, and have been married for over a decade.
